# Accent With Illumination: Graphic Tube Light

The Graphic Tube Light brings branded lighting opportunities to exhibits featuring Skyline Slotted Tube and Tube Ultra. Illuminated shades carrying your brand or message attract attention and give your exhibit a custom look.

## Quality Skyline UV Graphics

Digital-direct UV Graphics printed on translucent SkyFlex™ provide brilliant, high-resolution graphics that are perfect for backlighting.

## Compatible with Slotted Tube and Tube Ultra

Graphic Tube Lights integrate seamlessly with Skyline Slotted Tube and Tube Ultra systems – and are easily repositionable to any point along the tube slot.

## Available With Rental Exhibits

Design your rental exhibit to include Graphic Tube Lights. Rent hardware with shades in a variety of solid colors – or purchase custom graphic shades.

## Perfect For Exhibits of any Size

From stand-alone kiosks to inline and island exhibits, attract attention with illuminated branding and graphics.

Eye-catching Graphic Tube Lights accent nearly any design.

**Versatile Graphic Tube Lights**  
easily apply to towers, walls  
and more.

## Skyline Graphic Tube Light

### A Versatile Lighting Option for Many Applications

**Graphic or Standard Color Shades**

Customize shades with Skyline graphics or choose from a selection of standard solid colors that are sure to support your brand at trade shows, in retail environments, lobbies and more.

**Quality Materials and Finishing**

Skyline graphics are produced with durable materials and finished to our tight standards so you look great show after show.

**Multiple Shapes and Sizes**

Many shapes and sizes – up to 48" tall – are available to best fit your look and application.

**Painted Silver to Match Tube**

Hardware components are painted silver to match Slotted Tube and Tube Ultra components for seamless integration.

**Quick and Easy Installation**

Fixtures attach to Skyline Slotted

Tube and Tuba Ultra modular exhibit systems and easily install with a simple Allen wrench.

**Wire Management**

Tube Light wires are hidden within Slotted Tube's and Tube Ultra's built-in wire management system.

**Safe for All Venues**

Tube Light is UL listed and its substrate FR rated, so it's safe for use in all show halls.
